Missoula Midtown Association (MMA)

When you join the MMA, you become part of an active business and community service group that is making a positive difference in Missoula's Midtown, and working each day to support the future of Missoula.

Economic Development... Strengthens the future assets of Missoula's Midtown. The MMA is a results-driven voice working for its members at the epicenter of present and future activity. One of the primary objectives for MMA is interacting with business, community and government to help guide redevelopment, growth, and change in Missoula's Midtown.

Organization... Strengthens the ability to work together to succeed. The MMA produces a newsletter providing current information and news regarding business and community in Missoula's Midtown. The MMA meets regularly, provides a forum for discussion, networking, information dissemination and community involvement. Members are encouraged to participate in areas of interest.

Vision... Strengthens the appeal of Missoula's Midtown as a place to invest, shop, work, play and live. The MMA focuses on preserving and promoting the infrastructure and aesthetics that make Midtown an attractive place to be. MMA provides a voice for Midtown in planning projects and public infrastructure investments that will attract new businesses, customers, and a positive image.
